

OQ starts delivery of physical SIM cards.

Delivery time in Tashkent is on the day of the order if it is placed before 12:00 p.m. If later, then the next day. In regions, delivery may take up to three days depending on the distance.

The cost of delivery in Tashkent is 20,000 soums, to the regions - 30,000 soums.

To use delivery, install the OQ application or update it to the latest version.

Please note that OQ is not responsible for delivery to an incorrect address. OQ engages a third party to make deliveries, the timing of which may depend on the delivery route and other circumstances beyond OQ's control.
